The Catholic Mass

The Catholic Mass is the most sacred act of worship a person can participate in on earth. Jesus commands and invites us to encounter Him in a very special way. Please keep in mind that we are on holy ground. Out of respect for the real presence of our Lord Jesus Christ, please power off your cell phones, pagers, and other non-medical electronic devices. Visitors are asked to please respect the Chapel's sacred and special character by remaining quiet.
Flash photography is strictly prohibited inside the Chapel of St. Basil. The harsh light emitted from camera flashes will severely damage the 14th century Gothic crucifix hanging above the altar.
