

Unsuspected richness. Multiple encounters with Christ.

"The Full Participation in the Mass video series is both accessible and profound. In these videos you will go more deeply into to richness of the liturgy, whether you are a cradle Catholic or just beginning your participation in the life of the Church."

**Full
Participation
in the
Mass**

Daniel Cardinal DiNardo

Designed and hosted by Rev. James Burkart, former president of the Southwest Liturgical Conference, in the video series you will find detailed answers to topics such as:

- The Order of the Mass: foundation, practice, and meaning of each component.
- The real presence of Christ in the Eucharist.
- Sunday as the first day of the week.
- The purpose of different liturgical postures. When and why do we stand, sit, and kneel.
- Family preparations for the Mass and remote participation.
- The Mass as a journey and mission.

The Full Participation in the Mass program is a complete formation program at a very accessible cost. This resource is available in Capernaum, the online learning platform of the Archdiocese of Galveston-Houston, at a standard price of 25 USD. It provides access to:

- A **4-hour video-based** formation.
- Four lessons: Initial Rites, Liturgy of the Word, Liturgy of the Eucharist and Dismissal Rites. Each of them spread out into micro-learning units of 5 to 8 minutes in duration.

- Liturgically revised guidelines for **remote participation**, for those who cannot attend in person.
- Downloadable **handouts** with valuable exercises, scripture references, course prayers and other valuable resources, that can be used in individual or group settings.

- Review **assessments**, reaffirming the central elements of the celebration.
- Archdiocesan **certificate of completion**.
- Administrator **reporting**.

Full Participation in the Mass combines pastoral love and clear teaching of the Church, fostering the sense of community and kindling the appreciation for our celebration. It works perfectly for individual study, small community review, and parish-based settings.
